

 <p>UDE CORP UDE is a leading global manufacturer of RJ45 products (single/multi-port/combo-USB, 100-10GBase-T MagJack with integrated magnetics and pure RJ45 without magnetics), SFP+/28, QSFP+/28/DD, discrete LAN magnetics, cables (high-speed, AC power, FFC/FPC, harness, I/O), dongles, LAN surge protector, silicone parts.</p>	 <p>DNA GROUP DNA Group is an integrated manufacturing solutions provider, offering electronics manufacturing services, connectivity solutions, contract manufacturing, plastic molding, and sheet metal fabrication. With operations across the U.S., Costa Rica, Mexico, China, Indonesia, and Thailand, DNA supports leading OEMs and next-generation innovators throughout North America.</p>	 <p>METHODE DATAMATE dataMate®'s high performance pluggable copper transceiver modules for high-speed data links, SFP & SFP+ modules (G.hn & Gfast, 10GBASET)</p>  <p>METHODE POWER SOLUTIONS Bus bars; power cabling/connectors/contacts; PowerRail®; thermal management; subassemblies; high voltage switchgear.</p>
 <p>BLACKCELL/UDE BlackCell is a leading manufacturer of standard and custom Lithium-ion and Lithium-polymer rechargeable batteries, including soft cylindrical and soft square packages. They also provide removable high capacity, high energy density batteries, from 10A to 40A, along with single and multi-cell chargers, & Portable Power Stations up to 2000Wh with Solar Stations.</p>	 <p>E-SWITCH E-Switch switches have served the telecom, high tech, medical, electronics, instrumentation, industrial, audio/visual, appliance and consumer markets since 1979. Products: tact, anti-vandal, pushbutton, rocker, toggle, slide, DIP, rotary, keylock, snap action, power, illuminated switches, & switch cable assemblies.</p>	 <p>NETLIST & SK HYNIX Netlist is a leading supplier of memory products that includes NVMe SSDs (form factors: AIC HHHL, U.2, and M.2), Memory Modules, Non-Volatile Memory DIMMs (NVDIMM-N), Flash Cards, and Storage Class Memory (SCM) DIMM. Netlist has strategic partnerships with SK Hynix and stocks their products as well.</p>
  <p>WALSUN / UDE Walsun designs and manufactures high-speed optical transceivers. Products include 400G QSFP-DD/DR4/FR4/LR4/ER4, 100G QSFP28 LR4/ER4/BiDi ZR4, 100G LR1/ER1, 40G QSFP+ ZR4/BiDi ZR4, 25G SFP28 DWDM/CWDM/BiDi, 25G/10G Tunable DWDM, 10G SFP+ DWDM/CWDM/BiDi and a full range of optical transceiver solutions.</p>	 <p>Y.S. TECH Yen Sun Technology Corp is your #1 source for thermal management products. Established in 1987, YS Tech designs and manufactures high performance DC fans, AC fans, blowers, cross flow fans, heat sinks, and fan accessories. Industries served are medical, automotive, lighting, industrial, and alternative energy.</p>	 <p>DB UNLIMITED DB Unlimited is the world's leading audio solutions manufacturer with over 40 years of industry experience. They have the largest and most comprehensive offering of audio components in the industry. Indicators, Transducers, Speakers, Microphones, Piezo Benders, as well as custom solutions.</p>
  <p>RADIALL / TIMBERCON Radiall produces multipin, industrial, optical, RF, & outdoor connectors and assemblies, RF microwave switches, active optics, antennas, microwave and space qualified components. Timbercon designs and assembles fiberoptic & hybrid cable solutions for datacom, medical, industrial, military, & aerospace industries.</p>	 <p>ACES CONNECTORS ACES supplies high-performance antennas and EMI shielding for a variety of consumer wireless applications, including Wi-Fi, GPS, and Television. ACES provides B2B in USB3.2 Gen 2, PCIe Gen4. ACES also offers its unique stack-shield board to board connectors are with full shield and fulfill high speed of PCIe 4.</p>	 <p>LUMEX For over 30 years, Lumex, a member of the ITW Group, has been a global leader in the optoelectronics industry. With the broadest range of high efficiency, high performance LEDs and LCDs in the industry, Lumex provides thousands of standard products and specializes in semi-custom and custom designs.</p>
 <p>LITEON LITEON produces advanced magnetic components and solutions for transformers, chokes, and EMI/EMC filters. LITEON leverages 3D Maxwell magnetic simulation to enhance design verification and accelerate the transition to automated production. LITEON is the #1 global supplier of Photocouplers and #2 supplier of power supplies.</p>	 <p>Micro Power Direct Founded in 1999, MicroPower Direct, a WBENC-certified, woman-owned company specializes in high-performance power solutions. MPD offers a comprehensive selection of DC/DC Converters, AC/DC Power Supplies, IGBT Drivers, SiC DC/DC's, and POL Regulators.</p>	 <p>T-CLAD T-CLAD is the global leader in thermal management for high-power electronics, including IMS®(Insulated Metal Substrate), TIM (Thermal Interface Material), Thermal Clad Dielectrics, and Over Current Protection (OCP), including surface-mount, self-resettable overcurrent fuses, current limiting modules and e-fuses.</p>
